Ladies/Gentlemen:

I understand that my child, named below, has submitted or intends to submit to Channel One video reports, which you may choose to include in your Channel One broadcast. In consideration of my and my child's desire for my child's video reports to appear in the Channel One broadcast, I hereby:

- grant Channel One permission to include any and all videos provided by my child in connection with the Segment, including my child's name and any information about him/her contained in any video report he/she submitted and to publicize and advertise the report as you deem reasonably appropriate; and
- grant a non-exclusive, sublicensable license to Channel One in perpetuity for use of any video submitted by my child in connection with the Segment for exploitation and distribution in all media now known or hereafter discovered (including, but not limited to, all forms of television, video on demand, videocassettes and discs, and the Internet, (including, without limitation, ChannelOne.com, podcasting, video phones, and personal digital assistants)) by Channel One, its licensees and assignees.

I understand that the video reports submitted by my child may be edited and that you may decide not to include my child in the Channel One broadcast or even to broadcast any video report submitted by my child. I also understand that you and others to whom you grant permission may use and/or re-use the report in the Channel One broadcast, on television and in other media (now known or hereafter discovered) anywhere in the world in perpetuity.

I am over eighteen years of age. I gave nothing of value to any Channel One employee for my child to be included in the Channel One broadcast.

Very truly yours,
