As you watch the news segment, identify what is being compared. Use the organizer to record notes about what is similar and what is different about the things, people, events or places being compared.

Write details that tell how each thing is different in the outer circles. Write details that tell how they are alike where the circles overlap.

Mercator map

- Prioritizes shape over size.
- Used for hundreds of years.

Peters map

- Prioritizes size over shape.
- Recently used for the first time by some schools.

Gives a distorted view of world.
