

Fact and Opinion

Name: _____

Video Segment Title: _____

As you watch the news segment, use the organizer to record notes about facts and opinions presented in the segment.

Remember:

A fact states something that:

- Has happened
- Can be proven
- Is real or exists

An opinion states something:

- Is believed
- Shows how someone feels
- Is not always true and cannot be proven

See paragraphs 1-3 in script.

Fact:

A microchip embedded under your skin can take the place of a key card.

See paragraph 5 in script.

Opinion:

The microchip makes life easier.

See paragraph 8 in script.

Opinion:

The microchip helps improve the human body.

See paragraph 11 in script.

Fact:

A microchip cannot be turned off and tracks your movement 24/7.

See paragraphs 12 in script.

Opinion:

That's a big problem that I can't turn it off.

Opinion:
