As you watch the news segment, use the organizer to record notes about problems and solutions discussed in the segment. If more than one solution is offered for a problem, note all the solutions in the same solution box.

Problem: New York laws prohibit growing fruit and vegetables in public parks.
Solution: Grow fruit and vegetables on a boat in the waters around New York.

Problem: Some areas of the country are food deserts.
Solution: Teach people how to grow their own food.
